

# **Pinnacle Vista and Ranch Gate Planned Trail Projects**

**Virtual Public Outreach  
February 2021**

# Trail Projects Background

1965 Scottsdale Town Enrichment Program

1984 Design for Bikeways and Horse Trails

1994 Bicycle/Pedestrian Plan

2001 General Plan

2004 Trails Master Plan

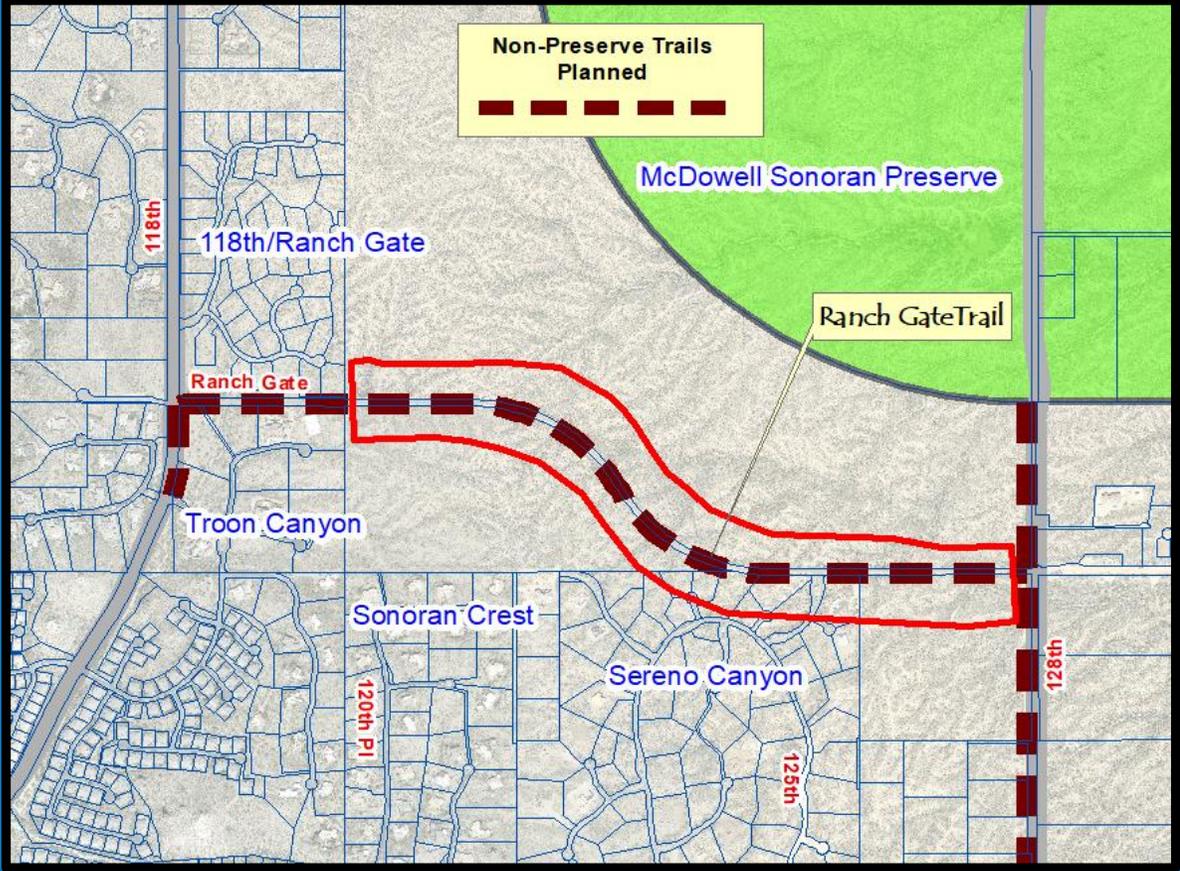

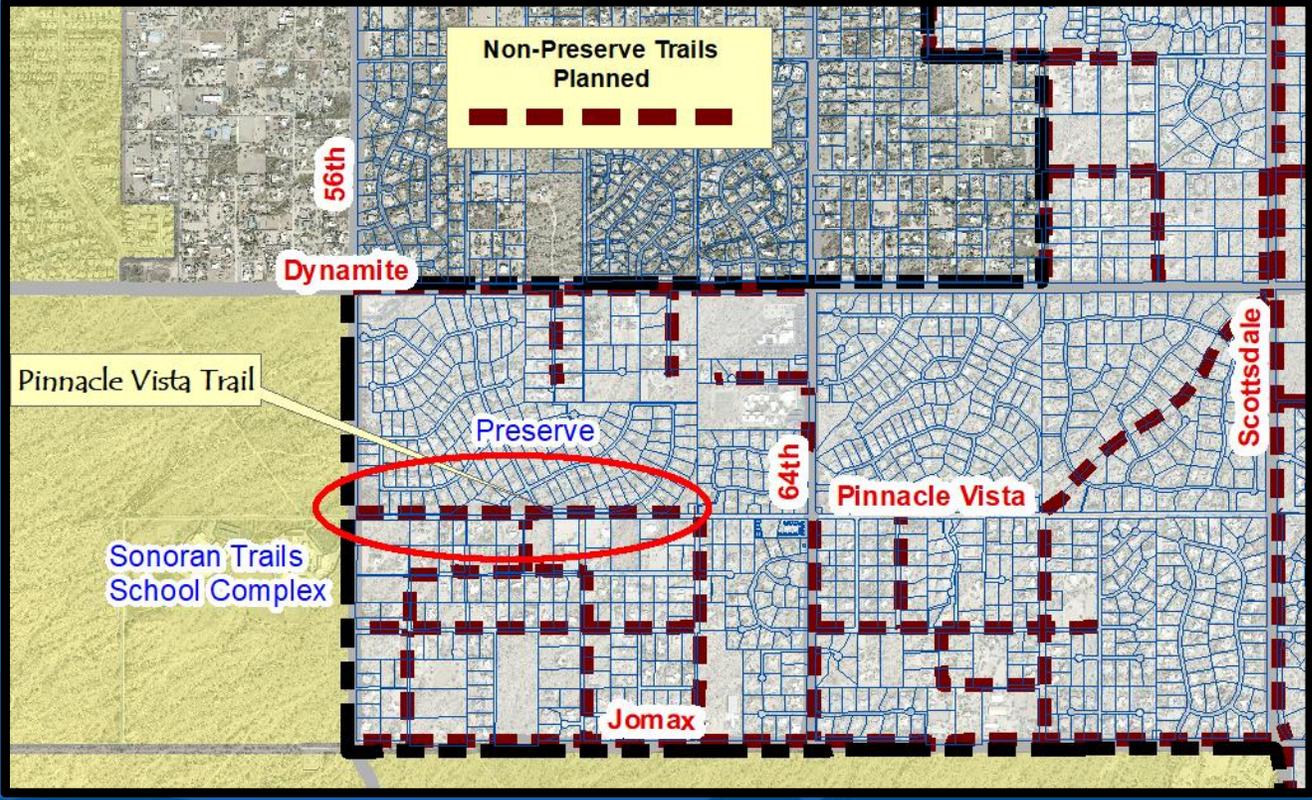

2009 Ad Hoc Trails Task Force Report

2016 Transportation Master Plan

# Ranch Gate Trail

# Pinnacle Vista Trail

# Why prioritize these trail projects?

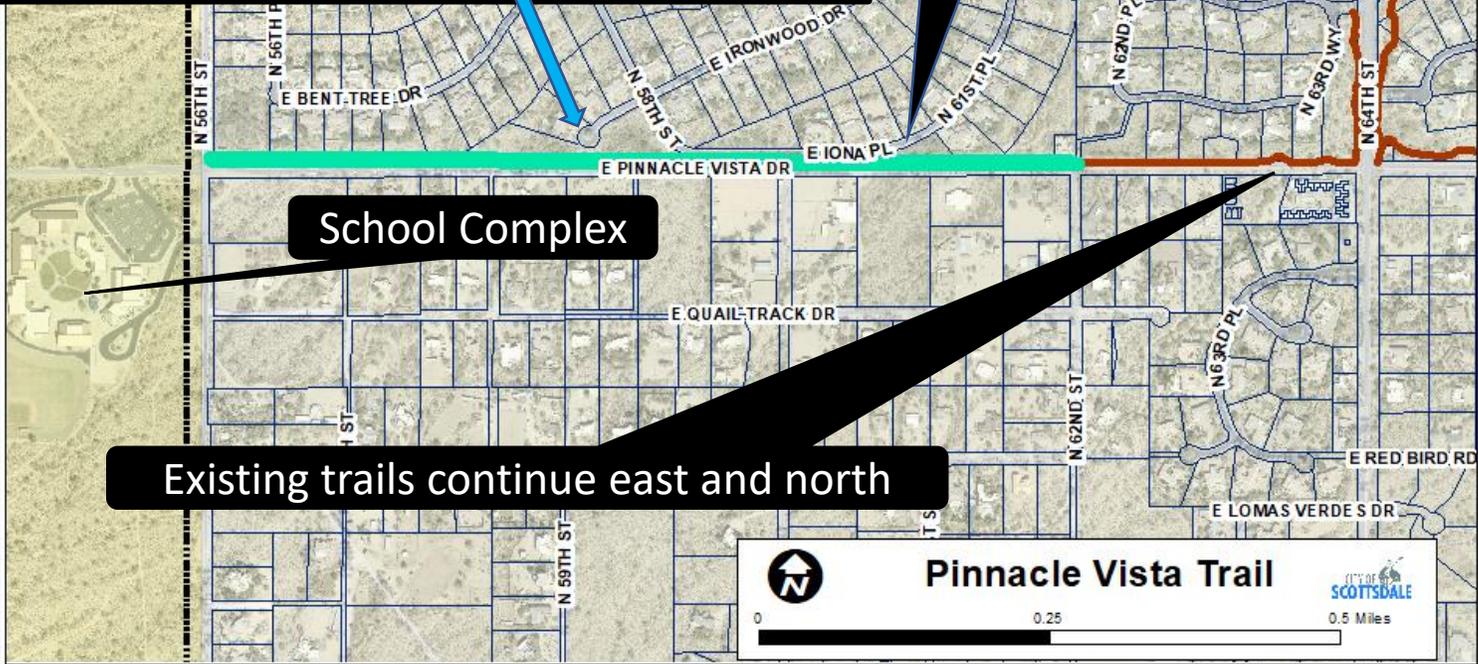

-  Follows city's master plans
-  Closes trail gaps – improves connectivity
-  Provides a comfortable environment
-  Promotes active transportation
-  Improves neighborhood quality of life

# Pinnacle Vista Trail

13-foot Public Trail Easement exists from 62<sup>nd</sup> St to 56<sup>th</sup> St

Pinnacle Vista Trail

School Complex

Existing trails continue east and north

-  Supports natural environment
-  Connects to existing trail on east side
-  Provides better route to nearby schools
-  Improves existing organic trail

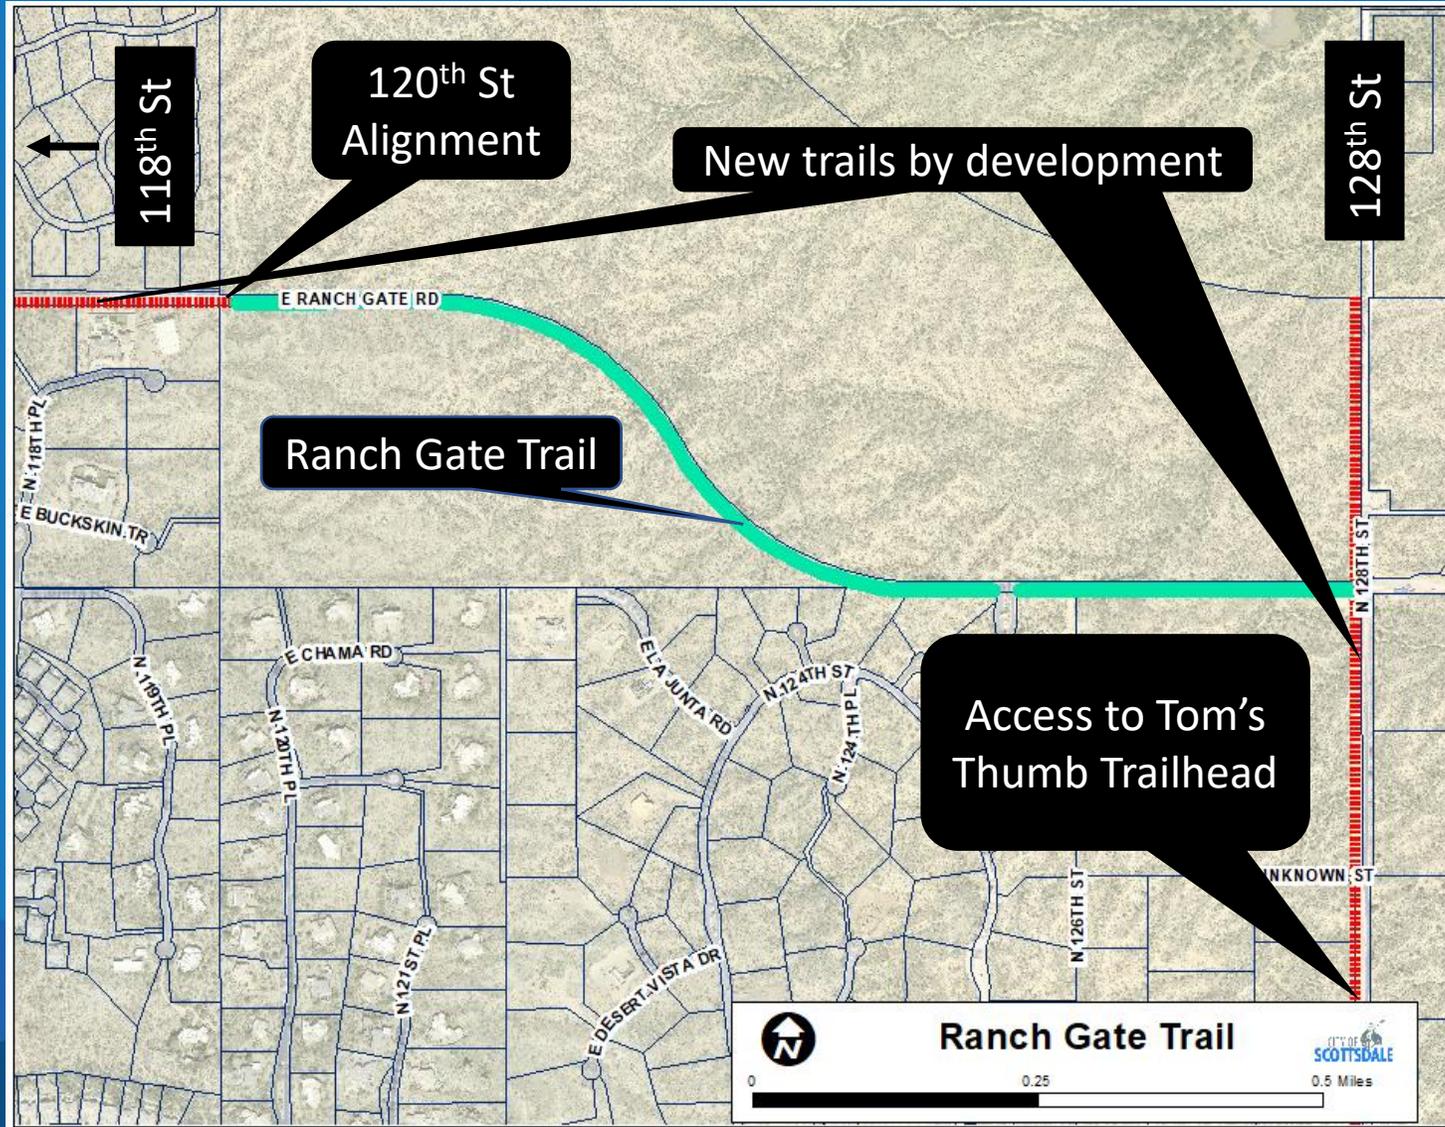

Existing organic  
trail along  
Pinnacle Vista Dr.  
east of 59<sup>th</sup> Street

Newly Constructed  
6-foot wide  
defined trail

# Ranch Gate Trail

Supports natural environment

Better route to Tom's Thumb Trailhead

Removes active transportation from roadway

Will complete neighborhood trail system

# Next Steps

-  What Do You Think? Submit your comments
-  Review neighborhood feedback
-  Proceed with construction if favored
-  Construction completed by April 2021
